

Coffee House Performances

Activity

A coffee house is a performance of poetry, music, videos, artwork, and drama presentations. These events usually happen in the evening after school and is normally a senior student organized event. Integrating into coffee houses that are already organized within the school would see a performance of an environmental poem, a play, etc. Alternatively, a specifically themed Coffee House on the environment is also a possibility.

In order to organize a coffee house individuals, grades, or schools would become involved. EarthCARE could sponsor the event and ensure that environmental stewardship information was available at the performance.

It can be organized by the

- EarthCARE Team
- Teacher(s)
- A class
- The Students' Council

Communications

- Letters to parents
- Invitations to school council
- Announcements on the PA
