

EarthCARE Fair

Activity

4

Activity

The EarthCARE Fair is a celebration of EarthCARE and environmental projects that have been carried out during the year. It can include displays, assemblies, parents' night, outdoor activities, games, competitions, and culminate in a presentation of school EarthCARE awards. You can also include EarthCARE within the school's science fair.

The EC team should look for ways to include the EC Fair into a school's science fair or to build a separate EarthCARE fair depending on the engagement level of the school.

It can be organized by the

- EarthCARE Team
- Teacher (science teacher, in specific)
- A class
- The Students' Council

Communications

- Letters to parents
- Invitations to school council
- Announcements on the PA
- School newspaper
- School web site
- EC web site
- Coverage in the local newspaper
- Posters

Stakeholder Involvement

- School administration
- Students
- Teachers
- Superintendents
- Parents / School Council

Mentorship

Older grades mentoring younger grades

- Use existing reading groups
- Parent or adult assistants
- High school coop students and/or EC Catalysts

Role of Class

- To create the 'call to action' for the other staff and students
- To plan a communication campaign

- To create a project task list
- To create teams to work on specific parts of the project
- To create a timeline
- To apply for all permissions needed to fund the event
- To obtain all supplies
- To run the event
- To arrange for and help with clean up
- To thank all who helped and participated
