

Earth Day Ottawa Solar Sprint Competition

Design, Build and Race a Solar Powered Car

As well as designing, building and racing a solar powered car, try one or more of these other activities:

- Create a Web site
- Produce a Digital Video
- Create a PowerPoint Presentation

Ask your teacher

For information about this fun and exciting project, visit the Earth Day Ottawa “Events” section at:

www.earthdayottawa.ca

or go straight to the Solar Sprint information at:
